[Teaching Experience]

Irvine Valley College

Digital Media Arts Instructor (06/2015-Current)

As an instructor at Irvine Valley College I teach entry level course for the Digital Media Arts program, such as Intro to Digital Media Arts, Graphic Design 1 and Print Media Design courses. I am responsible for creating interactive and engaging lessons and assignments that teach students modern techniques, theories and current program applicable to the fields of design, animation, digital illustration, photography and 3D modeling. I also create a welcoming and comfortable work environment for students of all skill levels, making the appropriate instructional adjustments to identify with the individual students needs. Current course list is as follows:

- DMA 10-Intro to Digital Media Arts
- DMA 55-Graphic Design 1
- DMA 60-Print Design and Production

Concordia University Irvine

Visual Arts Instructor (08/2018-Current)

As an instructor at Concordia University I teach entry and intermediate level courses in Web Design, Motion Graphics, Digital Photography, plus Senior Seminar in fine arts. I am responsible for teaching design theory as it applies to digital applications, the fine arts aspects of critique and presentation as it applies to each medium, best practices and ensuring that each student is developing their skill set to apply to a professional vocation and to become a responsible designer or photographer. Other campus responsibilities consist of helping curate the campus art gallery, mentoring students, assisting in course assessment and guest juror for the Arie Magazine. Current course list as follows:

- ARTG 261-Graphic Design 1
- ARTG 460-Typography 2
- ARTG 471-Video Art
- ARTG 472-Web Design 1
- ARTG 473-Motion Graphic
- ART 481-Digital Photography
- ARTG 482-Web Design 2
- ART 498-Senior Seminar

Rio Hond College

Digital Media Arts Instructor (07/2019-Current)

As an instructor at Rio Hondo College I teach entry level course for the Graphic Design Program, such as Intro to Digital Imaging, Advanced Digital Imaging. I am responsible for creating interactive, engaging lessons and assignments that teach students modern techniques, theories and current program applicable to the fields of design. I also create a welcoming and comfortable work environment for students of all skill levels, making the appropriate instructional adjustments to identify with the individual students needs. Current course list is as follows:

- GDSN 178-Intro to Digital Imaging
- GDSN 179-Advanced Digital Imaging
